

Dr. Shaliga Bhatnagar
(Cosmetic Dental Surgeon & Transformational Career Coach)

BDS, FMC, MBA (Marketing)
Indian School of Business & INSEAD,
Singapore

About Me

I am a practicing Cosmetic Dental Surgeon with 8+ years of experience in pharmaceutical Industry across marketing & medical affairs.

I hold an MBA from the Indian School of Business (ISB) with global Immersion at INSEAD, Singapore, thereby bringing a strong blend of scientific credibility and commercial insights. I am passionate about building scalable career-transition solutions, enabling pharmacy students, doctors, and business graduates to successfully pivot into high-impact roles within the pharmaceutical industry.

Milestones

- Built market leading brands & managed P&L of 300+ Cr at giants like Abbott, Sanofi Genzyme, & Dr. Reddys impacting lives across therapy areas like Rare Diseases, Neuro-Psychiatry, Women’s Health, and Thyroid disorders.
- Published International Paper at ISDCR.
- Presented International Poster on Velscope at IDA
- Launched India’s 1st Marketing campaign on Menopause with Lara Dutta
- Global Recognitions:
 - Abbott Vice President Global Award
 - 5X Abbott Excellence Awardee
